Simple no-frills send-offs to extravagant events and everything in between can be planned to the finest detail in advance.

| *Your Funeral. You*

we know the best person to plan a funeral is... you

We're here to help you get just what you want.

Dying is still a difficult topic for most of us in the UK to discuss with their loved ones. But it's so much harder for those we leave behind if they don't know what we would have wanted.

You can plan ahead by considering:

- ✿ Free Plans of Wishes for you to record your choices in a document to leave for loved ones
- ✿ A prepayment funeral plan which sets out your choices and pays for the funeral director's services at today's prices

Affordable, flexible and tailored to include everything you want.

No compromises on service or quality; now or in the years to come.

Our Way.

a smart way to save

Funeral costs have been rising year on year.* Fixing our funeral director's costs at today's prices makes sense. A William Purves prepayment plan through Golden Charter means:

- ✿ We *guarantee* our professional fees will never rise, no matter when the funeral is required.
- ✿ An allowance is ring-fenced for other necessary costs (cemeteries, crematoria etc).
- ✿ You choose the funeral that you want, right down to the fine detail.

How much will my funeral plan cost?

The total cost of your funeral plan is based entirely on the choices you make. Traditional funerals in the Lothians range between £3,525 and £4,675.* But it's also fair to say a funeral can cost as little as £2,000 while bespoke events may be £8,000 plus. A £249 Golden Charter administration charge will also be added to all plan costs.

We don't tell. We ask. The result is you get the funeral that you want, right down to the last detail.
